WORK EXPERIENCE

Self-Employed | Creative Partner
Philippines/Remote | February 2026 – Present

- Producer and creative partner on Marked with Vin Infante, a podcast continued independently after rebranding with the host; managing full production, AI workflows, guest research and outreach, strategy sessions, and end-to-end content delivery.
- Embedded creative specialist for 2 additional business owners across personal brand content and hand-off creative work, operating as a trusted long-term partner.
- Delivering reels, carousels, podcast episodes, and brand content simultaneously across all three clients while maintaining quality and turnaround standards.
- Consistently earning strong client testimonials for quality, speed, and creative reliability.
- 5.0 Upwork rating across podcast production, short-form content, and personal brand niches.

The VA Group | Creative Manager & Creative Media Specialist

Philippines/Remote | January 2023 – July 2026

Promoted to Creative Manager (August 2025 – February 2026):

- Led the best-performing creative team in the organization, overseeing backend operations, production planning, task delegation, and deadline management across all active projects.
- Ran weekly team meetings to align on priorities, remove blockers, and maintain output standards under tight turnaround requirements.
- Sole production architect behind the 1% Podcast, owning the entire operation from concept to publish: episode planning, guest research, scheduling, recording coordination, full video editing, short-form clip extraction, captions, social media, nurturing emails, promotions, AI workflow integration, backend systems, and strategy sessions with the host.
- Evaluated and graded virtual assistant homework submissions, reviewing creative outputs against quality criteria, brand guidelines, and technical standards to maintain baseline team excellence.
- Led the podcast rebrand, introducing AI-powered guest research systems, streamlining production workflows, and enhancing the content strategy, elevating show quality and output consistency.
- Engineered content strategies for long- and short-form video that generated 170K+ total organic views across all platforms.
- Created reels and carousels, and managed social media content for TVAG's own-brand accounts, maintaining consistent output and brand voice.
- Directed full production cycles including asset organization in Airtable/Notion, AI-assisted research, and final file delivery across platforms.
- Managed live recording sessions via Riverside, ensuring technical excellence and high-quality production standards in real-time.
- Designed high-impact graphics and edited premium video content using Adobe Premiere Pro, After Effects, and Photoshop.

Sunstar Bacolod | Video Editor & Graphic Designer
Philippines | Jan 2020 – Aug 2020

- Primary editor and videographer for the award-winning Local Globe telecom documentary, earning industry recognition for excellence in storytelling.
- Maintained continuous newsroom operations during the COVID-19 pandemic, delivering high-priority news segments and public service video content.
- Produced and edited daily news updates, integrating motion graphics to enhance viewer engagement on digital platforms.

Self-Employed | Freelance Creative Lead & Contractor
Philippines | 2018 – 2020

- Led marketing and branding initiatives for diverse clients, driving measurable audience growth.
- Managed wedding, corporate, and event productions from concept to final delivery.

La Consolacion College, Bacolod | Student Assistant, Multimedia Focus
Philippines | 2018 – 2019

- Created graphic design and videography for major school events and conducted on-camera interviews.
- Managed student inquiries and departmental documentation while serving as a substitute teacher.
